Moving Process Steps

Dakotas Annual Conference of The United Methodist Church

Moving Process Steps

1. Initial Parsonage Inspection

Under normal circumstances, this would be done the night of the Appointment Introduction Meeting (AIM). The District Superintendent, Chair of the SPRC, and Chair of the Board of Trustees would complete the Initial Parsonage Inspection Form. However, this inspection may be completed virtually as soon as possible following the AIM and submitted to Joel Winckler, Move Coordinator, by email at joel.winckler@dakotasumc.org within ten days of the move announcement. If more than two days is needed to prepare the parsonage for the next pastor, this must be noted on the Initial Parsonage Inspection Form. Your request will be considered; however, not guaranteed.

2. Clergy Move Form or Retirement Move Form

After your appointment has been announced, you will receive an email with a link to fill out the Clergy/Retirement Move Form. You must complete and submit this form within three (3) days. If it is not submitted, you may not be eligible to receive a Move Stipend or mileage reimbursement. Every person receiving a new appointment/assignment must complete this form, even if there is not a physical move involved.

3. Completion of W-9 Form

In order to receive your Move Stipend, please complete the W-9 form and send it Dakotas Conference Office, Attn: Finance Office, 1331 W. University Ave, Mitchell, SD, 57301. Moving funds received from the Dakotas Annual Conference are considered taxable income by the IRS and you will receive Form 1099-NEC after calendar year-end.

4. Move Dates Assigned

After you submit your Clergy/Retirement Move Form (see #2 above), the Move Coordinator will work with you and the other clergy and churches in your particular move chain to determine your move dates. Once the dates have been finalized, it is the pastor's responsibility to notify the current SPRC chair of both churches. For those requesting an early move, an agreed-upon plan for how the pastor will remain engaged in ministry in the church/community through the end of their appointment must be determined by the pastor, DS, and SPRC.

5. Contact Movers

Moving clergy will be choosing their own move method. A list of websites you may find helpful is available Move Packet.

6. Move Stipend and Mileage Reimbursement

Move Stipends and Mileage Reimbursements will be paid once the appointment has been announced, Move Authorization Form has been completed, and the W9 has been received. For 2025, the CCFA set move stipend at \$5,000 and the mileage rate at \$3.00 per mile (see Move Policy for more details)

7. Final Parsonage Inspection

On the loading day of the move, after the pastor's contents have been loaded and the parsonage is empty, the Pastor, SPRC Chair, and Board of Trustees Chair will conduct the final inspection of the parsonage and return the final inspection form to the move coordinator.

8. Record Retention.

To support the Conference Council on Finance and Administration's annual process to determine the moving stipend, the Finance Office will request documentation (i.e., receipts) for your actual move cost (See Dakotas Annual Conference Moving Policy, Section 1f.). This request will occur approximately 1-2 months after your move.

The full Move Packet is available at Dakotas Conference: <https://www.dakotasumc.org/resources/clergy-moves>

Conference Journal Location	Content
Standards for Parsonage Furnishings 1.K	K. Pets: The Clergy leaving a Charge shall be financially liable for any damage to the parsonage above and beyond the normal wear and tear of family living, and for problems created by pets or neglect. If such a situation occurs the District Superintendent shall be informed for inspection. If a church and the DS agree there is damage from a pastor's pets upon entering a new appointment, if that pastoral family insists on having pets, they must provide a damage deposit equal to the repair and replacement costs incurred in their prior parsonage.
Ongoing Conditions 2.B	It is the responsibility of the clergy leaving a Charge to fully and properly clean the parsonage. How this will be accomplished will be determined in consultation with the Pastor Parish Relations Committee.
2.C	When a pastoral change takes place, the Board of Trustees shall evaluate the needs of the parsonage and refurbish accordingly. The clergy leaving the Charge shall inform the Board of Trustees of structural problems or appliances that need repair or replacement.
Pastor's Responsibility 5.A	The parsonage family shall practice good stewardship of parsonage property and will be held financially accountable for damage other than normal wear and tear. They shall keep the parsonage in neat appearance. Upkeep, repair and redecorating will be done in consultation with the local church parsonage (trustees) committee. The parsonage family shall leave the parsonage as good as or better than it was when they moved into the dwelling.
5.B	The pastor should keep the parsonage (trustees) committee informed of maintenance needs throughout the year between annual reviews.
5.C	The pastor and parsonage (trustees) committee shall inspect the parsonage together at the time of a change of pastors. The location of guarantees and operating instructions for parsonage equipment should be designated for the benefit of the incoming pastor.
5.D	Disputes between the pastor and the local church concerning the parsonage shall be referred to the District Superintendent for negotiation and settlement.
The Parsonage Review and Report 6.A	In accordance with <i>The Book of Discipline</i> (258.2.g 16): The chairperson of the Committee on Staff Pastor Parish Relations, chairperson of the Board of Trustees and pastor shall make an annual review of the church owned parsonage to assure proper maintenance.
