Opening Prayer

All: Amazing God, we come to worship today with hearts longing to belong. Thank you for this beautiful place to worship where we all belong. We come to pray and connect to you with our whole bodies: our minds to think, our emotions that feel, our voices to sing, our feet to move, and our hands to be of service. Thanks for all the ways you have taught us to pray and to be in relationship to you. We are also thankful for other beautiful places where we can connect to Christ, Creation, and Community, like camp. May we always feel that we belong to you, no matter where or how we worship and pray. Amen.

Offering

Offertory Song Every Move I Make

Every move I make, I make in You

You make me move, Jesus.

Every breath I take, I take in You.

Every step I take, I take in You

You are my way, Jesus

Every breath I take, I take in You

Waves of mercy, waves of grace,

Everywhere I look I see Your face.

Your love has captured me.

O my God, this love, how can it be?

Offertory Prayer

All: Creator God, We recognize that we are truly blessed to live in your wondrous Creation, to have family, friends and neighbors as our Community that we can depend upon. And we have been blessed by the gift of your Son, Jesus Christ. As you have blessed us we, in turn, share a portion of that blessing with others, our time, talent, and tithes, in support of the work of your churches and our camping ministries. Accept these gifts given with grateful hearts to further the growth of your Kingdom in this community, at our camp locations, and beyond. We share what we have so that the warmth and light of your love will spread to all people everywhere. Amen.
