

Resolution:

In order to utilize the audit information for strategic planning, improve current practices, and guide future initiatives, the racial audit report be made available to each annual conference including but not limited to: Cabinet, Office of Connectional Ministries, Nominations Committee, Board of Ordained Ministry, Committee on Personnel, Racial Justice teams/taskforce, New Church Start teams/taskforce; That each annual conference update their racial justice audit annually to include longitudinal tracking requested by the 2022 Beloved Community racial audit and make it available to the annual conference;

Resolution, cont.:

That annual conferences will give a report on how they used the racial justice audit at each Jurisdictional Conference gathering, and time be allotted to receive and discuss these reports; That NCJ CORR be revitalized to resource and support this work; And that the NCJ mission council prioritize grant applications related to racial equity work in the jurisdiction.
